Subsequently, Government vide G.O.2<sup>nd</sup> read above have issued orders including another (5) packages for relief under G.O.Ms.No.146, I&CAD (REFORMS) Department, Dt. 08.10.2015 with clarification on the said G.O.

2. In the references 3<sup>rd</sup> read above, the Engineer-In-Chief (Irrigation) has stated that, accordingly the proposals were submitted by the project authorities and based on the recommendations of SLSC, HPC had examined the proposals for different packages and orders were issued for individual packages indicating the time-frame (Final EOT) for completion of the above packages in all respects.

3. The Engineer-In-Chief (Irrigation) has further stated that, out of 116 packages considered vide G.O.Ms.No.146, I&CAD(REFORMS) Department, dt. 08.10.2015 and G.O.MS.No. 24, I&CAD (REFORMS) Department, Dt: 08-05-2017, 33 packages have been dropped from the purview of G.O.Ms.No.146, I&CAD (REFORMS) Department, Dt. 08.10.2015 due to technical reasons (Pre-closer and Re-engineering). Out of the remaining 83 eligible packages, 74 packages have been approved by the Government with Final EOT granted.

4. The Engineer-In-Chief (Irrigation), Hyderabad has requested the Government for further extension of time beyond the Final EOT granted in respect of 36 packages among the above 74 packages (with the balance packages proposed to be completed within the final EOT granted) with one of the main bottle necks had been delay in Land Acquisition of these works due to legal cases on GO.Ms.No123, Revenue (JA&LA) Department, Dt:30-07-2015 and thus the total process of Land Acquisition was hampered. Further due to formation of new districts there was delay in taking up Land acquisition process in view of new SDC, Land acquisition authorities and for bifurcation of work load etc., The Government had issued direction on new Land Acquisition Act for processing of Land acquisition and published on 17-05-2017 and LA process is just picking up.
